

Peach Strawberry Mint Infused Club Soda

By: Andrea | Cooking with a Wallflower

Ingredients:

1 ½ cups club soda or sparkling mineral water
2 tablespoons Roasted Strawberry Peach Jam
¼ cup peaches, diced
¼ cup strawberries, diced
4-5 mint leaves
Several ice cubes

Yields: 1 drink

Directions:

Mix the jam with the club soda or sparkling mineral water. Stir the jam to make sure that it is evenly dispersed.

Dice peaches and strawberries into small pieces, about ¼ cup of each. Add these diced fruits into the soda.

Add in several mint leaves.

Place the drink in the refrigerator for 30 minutes to allow the drink to chill and for the flavors to enhance.

After 30 minutes, remove the drink from the fridge. Add ice cubes.

Serve the bubbly beverage cold.

Cheers!
